### Fascinating Facts:

- All our Advanced Nutrition Programme capsules are made from plant fibres. This means they dissolve quickly in your stomach, releasing all the vitamin goodness for absorption
- Hyaluronic acid reduces wrinkles, boosts elasticity and plumps the skin

### Beauty Tips:

- With so many weird & wonderful skincare ingredients on the market, it's easy to forget the most basic anti-ageing hero: water
- Want a lightweight, long-wearing 3-in-1 foundation? Try our New Beyond Matte Liquid Foundation. Not only controls shine but also minimises the appearance of pores

### Farewell

Last month we said our goodbyes to Laura. We would just like to take this opportunity to thank Laura for all her hard work over the years and we wish her all the very best for the future.

### Bear With Us

As it stands we are yet to find a suitable Beauty Therapist to fill Laura's role. Please bear with us during this process. Vicki and Kaye are doing their very best to cover as many hours as they can between them to fit you all in.

### Late Late Night

Due to demand, this **Thursday 5th September** and every Thursday thereafter, until further notice, Vicki will be in the salon from **5.30PM - 8.30PM**. If you know you would like an evening appointment please book in advance as these appointments are likely to go very quickly.

### DIY Progress

We have made some good progress in the back treatment room. All the decorating is now complete and electrics have been moved. Our next step is to

get some more units fitted to allow more storage in the rooms. Then just a few finishing touches to complete. We hope you like what you see so far!

### New Receptionist

This is to fill Fern's role on Wednesdays. Fern is due to start college mid September so will just be continuing her Saturday's. We will keep you all updated soon.

## Product of the Month
