### Don't forget your sunscreen!

Now the sun has decided to make an appearance it is more important than ever to make sure you are using a sunscreen.

The top 4 benefits of using a sunscreen-

- Protects your skin from UV rays
- Lowers your skin cancer risk
- Prevents Premature Ageing
- Helps maintain an Even Skin Tone

Don't forget we also have Jane Iredale's Powder Me SPF30 on offer at the moment, for only £44.00 you will receive the Powder Me SPF (including refill) a complimentary Smooth Affair Primer and Lip Drink, perfect for those hot sunny days!

### Feels Good

Wow! You are keeping us all very busy!

It's been so lovely to be back and feel the love and support from you all, we cannot thank you enough.

We have thoroughly enjoyed pampering you all again!

### Bookings

As you are all keeping us so busy we would just like to remind clients to book in plenty of time for your appointments to avoid disappointment.

You can do this by telephone, email or send us a message via our social media pages.
